SAM COMPERS CATCHES A TARTAR

The Poststation in Control In LOWER DEATH RATES. facts and not in Notice

official records that the transmit is the ere of age, but in 1920 the inhor averaged \$1640 a Year while the hinthe death rate was only about farmer, with his whole family work three-fourths as great as the death ng 13% hours a fay, has everaged care in old age. Particularly note-

farmers And then there attends was expressed without rigard to the rates feelings of Mr. Gempera. "We will phritis and Bright's disease, organic feelings not be called upon to justify our measures of the beart, accidents and actions to a local bullermaker typhoid fever union," said a Kankas man, "but we must go home and justify ourselves berculosis has decreas d in the deto the farmers, who, with their fame cade from 160 per 100,000 popula ites, work three days of 14 hours tion to 114. The rate from acute each to make enough to pay the neghritis and Bright's disease has bullermaker for one day of sught decreased from 99 to 89. The rise

Instead of being moved by the 84 to 71, and the rate from typhonic Gompers plea for the 5,500,000 un fever from 24 to 8. employed men" the farmer delegates. On the other hand, increases in labor exactions were the cause of pherporal causes clearly show some anomployment. One said there could at the danger spots. he no general prosperty while the farmer's purchasing power was cur-tailed. Give us a living wage for our work," said one, "and we will our work, but country's prosperity it is being put have compelled the and there will be no neemploy government to take steps to regulate ment.

These speakers among the farmer cating has become so common delegates have sown good send. The farmers, as individuals and untainted by populism or socialism, are in dependent men who want to think for the section of the secti for themselves. They are not the sith, Practically everything may inion lenders and the politicians hand air is constantly cluttered with all norts of communications from the disciples of Mr. Gompers of high official character by the gov

DAMNS WITH FAINT PRAISE.

President Harding in closing the nouncements of stolen property and arms conference refers with approval the common garden variety of gos to the fact that the discussion has sip. The only plausible means of resulted in vindicating the blea of regulating radio service is to estaban international meeting of minds, lish regulation over the manufacture It is an important conversion for and sale of receiving and sending the president, and he gracefully accounteness. The government will know dged it in a manly compare work out plans for this supervision son of his present and former thoughts on the subject of ultra- WOMAN IS GENERAL preparedness.
